Re: Choir Members:

Estel Horner,  
155 Codwise Avenue,  
New Brunswick, N.J.

Horner is a young man twenty-two years of age and a student at Drake's Business College.

He has been a member of the choir for a number of years and knew both Rev. Hall and Mrs. Mills. During all of his time around the choir and church he never observed or heard talk of an intimacy between the two parties.

Respectfully submitted:
